Gleason Works.

Enclosed please

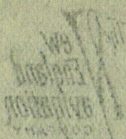

find order from Brown + Sharpe
for Two 11" Generators.

B + S will want two 18" Generators
out of the second lot to be equipped
with the new cams.

B. + S. are running nights in their
Bowl Gear Dept.

Providence Eng Wks need another 18"
machine but have not succeeded in
persuading The General Motors Co to
place the order.

I am bound for New York will call on

STAGE NO.

a number of concerns in that
vicinity,

It looks like a good time to keep
on the road business seems to be
improving.

Yours,
Jim.
