Dear Kate  
Here I am yet. Garrison<sup>et</sup>  
here Thursday Night. and  
Johnschil's apt had a lot of  
Places that he wanted me  
too visit with him. so I  
consented to stay I settled  
the trouble. about the 24"  
Plane. at Drann & Sons  
they are about to order  
a 48" as some of these  
work is heavy. I am learning  
a lot about English and.

scotch methods very few  
shops have any equipment  
for grinding fine tools those  
double pointed roughing tool  
that we are sending out with  
the 9 & are not being used  
as they have not any way  
off sharpening them. but  
enough off that—and every  
thing else in the same  
proportion I visited Lango  
today and received the  
letter written on the 21. I am  
going to leave here on the 8th  
for Berlin. and hope to  
get through with Germany  
this week and France next  
then for home I was sorry  
to hear of the sad death

that Warren Grease Meet with  
there is certainly something  
Wrong in the Southern Peoples  
Methods they hold life too  
cheap. I will be surprised  
and disgusted if the  
Murderer is Not Punished  
Our year Planers are  
becomeing well known  
through out the Country  
and I believe quite  
a number of them will  
be sold the coming year  
if business keeps as brisk  
as it is at Present

My Love too all

William. Gleason
