PRIVATE OFFICE

Dear Daughter

yours of 6th with check  
received. I am pleased to hear that the R W & L Co  
continue the Old Notes for Paper. about leaving  
here the arrangements are about as follows  
Mr & Mrs Beardshy leave here on the 12th to go to  
Hot Springs Virginia. Mr Bristol & Willie stay  
here until the 25th the Railway Co place a  
Pulman at De Land on 28 & 30th for the <sup>day</sup> deamed  
of the people leaving at that time. Mr Bristol  
has changed his time of departure because Mr  
Kenney and his wife and child have just arrived  
here. they are related to the Bristols. Mr Kenney  
has a bad cold and he wants to stay as long as  
he can. On account of the Kenneys being with  
Mr Bristol I would not be of any use if any thing  
should happen. besides Mr Bristol seems to be in  
very good health I have decided to leave here on  
the 21st and Jacksonville on 22nd by steamer for N.Y.

I expect to be home by the first of April Mr Davis  
has not decided Mrs Davis wants him to go by  
steamer. Mr Jeffers and his son came on the 9th  
he recognised me. but I would not have known  
him until he spoke. I recognised his voice  
the son weighs 240# Mr Jeffers looks well the  
weather here is simply perfect. I manage to put  
in the time day times golf. evenings cards.  
or visiting. with the other guests. it is a very home  
like hotel.

With love to all  
Wm G
