Chattanooga Tenn

Everyday 10.00am

Dear Kate there is only one
train each day leaving
Chattanooga for New Orleans
that goes through. It leaves
8 am. The evening train
is over taken at Meriden
by the first morning
train and merged into one
so I took the morning
train and that gives me
from 10 am to 8 PM time
to do some writing although

I dont feel very much like
it seems that as I get away
from the cares of the business
the full force of the calamity
that we are threatened
with is revealed in full
and I have not in two days
had one sleepless night. ~~But~~
Wise my health is good. ~~and~~
I will reach San Antonio
on Thursday morning.

I will telegraph from here
your love
