## GENERAL CONFERENCE

Of New York State Suffragists

TO BE HELD IN ROCHESTER, OCTOBER 12-13-14-15

---

You are most cordially invited to be present at this State Conference, the last to be held before the question of Woman Suffrage goes to the voters of this State.

Workers and sympathizers, whether belonging to any organization or not, are urged to confer with us, and will have every advantage that regularly accredited delegates have, except a vote in the election of officers and other business of the State Association.

You can't afford to miss the inspiration of this great Conference.

We need you and your co-operation.

You need us and our experience.

We all need the inspiration of coming together.

Come and discuss with the best workers in the State, how to win

*Victory in 1915*
