

## Anti Saloon League

Since the failure to solve  
the Saloon problem has not  
been the ~~lack~~<sup>want</sup> of sentiment but  
instead the lack of votes, it  
must be evident to every  
mathematical<sup>mind</sup> that what is  
needed is an added balance  
of power in the <sup>body</sup> political ~~and~~  
that ~~it~~<sup>shall be</sup> sure to throw itself into  
the scale against the Saloon.  
Nothing but such a weight  
can touch the question - and  
there is no place to go for this added  
power but to the women of the  
Nation, because all men outside  
the State Prisons, Lunatic & Idiot  
Asylums are <sup>already</sup> ~~now~~ voters. Hence  
the only hope of the Anti Saloon League's  
success lies in putting the Ballot into the  
hands of the women.
