My Dear Cornelia President

I forgot to suggest to  
you yesterday a thought that has  
come to me several times - that is  
that there should be a public meeting  
in the Y. W. C. A. Hall - very soon - and  
the president of  
each Society & club in membership,  
should make a brief statement of the  
aim & object, <sup>& achievements</sup> of her organization - say  
5 or 6 minutes in length - this would make  
each one acquainted with all of the  
others - and so bring all into a kinship  
feeling - that is what we <sup>shall</sup> do in the  
National Council at Washington - each  
National Society will report its work done

in the past three years - I wish  
you were going to meet me at the  
Station at 6.45 tomorrow A. M. - so  
we could talk & plan ways &  
means to make our local commit  
a tremendous power for good in  
our good Rochester - But I  
know you are studying how to  
do all this - and my faith  
in you  
grows apace - I shall hope

to hear from you at the Arlington  
and shall hope, too, that many  
other women will finally decide  
to go in to the Commit -

Very truly & gratefully

Susan B. Anthony
